DESERTERS. \$30 REWARD FOR EACH. THE FOLLOWING NAMED MEMBERS OF THE 22d regiment, North-Carolina Troops, having left their companies without permission, or abused their furloughs, are published as DESERTERS by order of the General, and \$30 reward will be paid for each man that may be arrested and turned over to any Confederate Officer; or \$15 will be paid for every man confined in a county jail, and notice given to the Adjutant General at Richmond. The regular fees will be paid the jailor for every man committed. Any civil officer or private cit zen is au thorized to make arrests; they are not only authorized, but the thinned ranks of our army entreats them to make those arrests. Our cause is periled by these desertions and every good citizen will use his utmost efforts to return and every good citizen will use his utmost efforts to return these men to the army. The recent glorious victories of the army were won by fewer men than are reported absent at home and eisewhere without leave. What could not our army do, were there no broken ranks by men absent without leave. It is the duty of the friends of those who endure the dangers and hardships of the campaign, to see that these deserters are returned to the army to share the labors and perils.
